Petition to Accept Color Photographs As Drawings

(C.F.R. 37 1.84(b))

ASSISTANT COMMISSIONER FOR PATENTS
Washington, D.C. 20231

Sir:

Petition is hereby made to accept photographs as drawings in the above-identified application.

The present application includes Figures 1-3, of which Figures 1-3 are photographs. Three (3) sets of photographs are submitted herewith.

The specification is hereby amended to contain the following language as the first paragraph in that portion of the brief description of the drawings:

The file of this patent contains at least one photograph executed in color. Copies of this patent with color photograph(s) will be provided by the Office upon request and payment of the necessary fee.

It is believed that the photographs are needed for proper disclosure or protection of the invention and that acceptance of the photographs as a drawing would require no substantial amount of additional work on the part of the Patent Office.

Please charge the petition fee of \$130.00 set forth in §1.17(h) to Deposit Account No. 11-0875. Please charge any fee deficiency due by the filing of this Petition or credit any refund to Deposit Account No. 11-0875. A duplicate copy of this Petition is attached for accounting purposes.

Respectfully submitted,
